

RIMURA<sup>®</sup>  
ITALIAN DESIGN

Book  
Collection  
2021

Rimura, an Italian company that creates tailor-made wallpapers, was born in Puglia in 2018, over the last 5 years it has consolidated itself as a renowned brand in the wallpaper sector, standing out for its quality and commitment to the production of products that combine aesthetics and functionality. Rimura is also attentive to the health of people and the environment, using FSC certified supports and inks with low environmental impact.

Rimura's main mission is to produce wallpapers of the highest quality, both from a graphic, material and production point of view. The company is dedicated to creating graphics that leave a feeling of positivity both to those who look at them and to those who experience them on a daily basis. Every detail of Rimura wallpapers is treated with the utmost attention, from the selection of raw materials to the creation of unique designs.
